

Sponsor a Greenway Bench or Swinging Bench

The Greenway Conservancy is currently offering a selection of park benches and swinging benches available for sponsorship, **including a group of new benches** in the Wharf District area.

Sponsor a Bench or Swinging Bench on The Greenway

The Greenway Conservancy is pleased to offer dedication opportunities on selected park benches and swinging bench in several locations on The Greenway, including 70 brand-new park benches in the Wharf District.

With a gift of \$5,000 (\$4,675 tax-deductible) for benches or \$7,500 (\$7,175 tax-deductible) for swinging benches, your chosen name(s) and selected phrase will be etched on a plaque and mounted on a Greenway bench or swing.

Select from three plaque designs, several suggested phrases (or your custom phrase subject to Conservancy approval), and several locations in the Fort Point Channel, Wharf District, or North End areas of The Greenway. Plaques are guaranteed for a ten-year period, with an option to renew for another ten years. Your sponsorship gives you a seat in this special urban green space and helps sustain the gardens, outdoor spaces, and free programs that make The Greenway a world-class park.

Please note: the engravement name and phrase are each limited to 35 characters, including spaces. Company logos, memorial dates, or additional graphics are not permitted. The Conservancy reserves final approval of all engravement names and phrases. Plaque installation requires 6-8 weeks from order placement and is weather dependent.

New Benches in the Wharf District

Now available for sponsorship

Fort Point/Financial District

North End - Benches and Swinging Benches

Available Locations on The Greenway

WHARF DISTRICT - *NEW BENCHES AVAILABLE FOR DEDICATION*

As of April 2023, the Conservancy is adding 70 brand-new benches in the Wharf District, between High Street and Mercantile Street, replacing the original Greenway benches. Special thanks to The Greenway Business Improvement District for its support of this improvement initiative.

Map to come with locations of new benches.

FORT POINT CHANNEL AND NORTH END

Existing benches and swinging benches* are available for dedication in the Fort Point Channel Area and the North End (between North Street and Sudbury Street).

See maps on following slides. *Swinging benches available in North End only.
