A GREENWAY DANCE PROGRAM
PRESENTED BY AMAZON

Momentum Greenway Dance Program, presented by Amazon, debuts this fall

SUMMARY:

This fall, the [Rose Kennedy Greenway Conservancy](http://RoseKennedyGreenway.org) is partnering with acclaimed choreographer [Peter DiMuro](#) and four local dance companies to bring you Momentum, a moving tribute to Boston's rich heritage. Enjoy five days of contemporary dance at four locations throughout The Greenway.

The Momentum Dance Program, presented by Amazon, is a site-responsive dance series produced in collaboration with choreographer Peter DiMuro and four local dance companies: [Continuum Dance Project](#), [Jean Appolon Expressions](#), [Public Displays of Motion](#), and [Vimoksha Dance Company](#). The cohort went through a year-long development process that included workshops with guest artists, peer critical response, rehearsal space, mentorship, public work-in-progress sessions, and documentation. Throughout September, each Saturday features one dance company performing twice per day at their selected locations along The Greenway. This series culminates in the Momentum Dance Festival on October 7, when all four dances will be performed. All events are free and open to the public.
