Greenway Gala

The Greenway Gala is the Conservancy's biggest fundraising event of the year, and in 2021 this annual tradition will go virtual. In this 45-minute, online program, we will celebrate The Greenway’s unique impact throughout the pandemic and recovery, get an exclusive preview of the 2021 public art exhibition directly from the artist, and bid farewell to Executive Director Jesse Brackenbury.

Your Gala donation helps make The Greenway a place of joy, connection, and renewal. Most of the Conservancy’s annual funding comes from private sources, and this year our generous donors will make possible the experiences that will mark our community’s reemergence from the pandemic.

Sponsorship opportunities are available now. Event ticket sales will launch in early March.

2021 Gala sponsors receive new banner benefits

We look forward to ushering in a bright, new 2021 season together with our Gala sponsors by installing vibrant light-pole banners throughout 1.5 miles of The Greenway. Extending from Chinatown to the North End, the banners will feature a variety of colorful, eye-catching designs drawn from the 2021 art exhibition.

Sponsors will be assigned banner locations in the order that pledges are received. Sponsors at the $15,000-$50,000 levels will receive preference for high-traffic locations (i.e., Dewey Square, Rowes Wharf Plaza, the Greenway Carousel, Rings Fountain, and North End).
