

2020 Results & 2021 Goals

Greenway Conservancy Board
February 2, 2021

2021 Organizational Goals

Plan for and deliver exceptional management & park care

- Continue high-quality maintenance and leadership in ecological landcare
- Leverage SmartSystem data and stakeholder relationships to improve park safety and cleanliness
- Construct and begin care of new park on P2
- Complete Capital Plan repairs on-time and on-budget
- Develop multi-year plan for tracking and addressing State of Good Repair and assuring Climate Resiliency
- Assure smooth transition to outstanding new Executive Director & Curator; build staff cohesion and cultural competencies
- Implement new accounting system and reevaluate investment management

Provide a welcoming park to gather, play unwind, and explore

- Improve Chin Park infrastructure: 4+ lighting projects, MSH pilots, safety surface
- Maintain relationships with programmatic partners and develop post-COVID vision
- Support earned-income partners through COVID challenges
- Continue public art leadership with 2021 installs (especially D. Gordon exhibit) and with preliminary 2022 planning

Broaden and deepen engagement and support

- Earn \$0.33M and raise \$1.29M in cash for operations, plus \$.35M for Chin capital
- Increase individual giving by 40%, while positioning for future growth
- Deliver successful virtual Gala and Momentum Campaign
- Maintain stakeholder & donor relationships through leadership transitions
- Welcome new, diverse Board members and build Board engagement
