Gala on The Greenway

Raise a glass with us on Thursday, June 8, when the Greenway Conservancy's community of donors come together at the [Gala on The Greenway!](#) Hailed as "the most unconditionally happy spot in all of Boston," our beloved Rings Fountain is the dazzling centerpiece of this joyful celebration. You and your guests will enjoy a lavish cocktail supper with delectable dishes and local libations while mingling with friends, colleagues, and neighbors.

Funds raised through the Gala support the Conservancy's work to connect neighborhoods and people through nature, public art, and community-led programming in ways that are sustainable, equitable, and welcoming.

Sponsorship opportunities are available now. Gala sponsorships sold out last year, so [make your commitment today!](#)

Volunteers are essential to the stewardship of The Greenway. They contribute to the beauty of the park by working alongside Conservancy horticultural and maintenance staff, and learn about our innovative ecological care of this unique green space.

Gala sponsors may opt to include a Volunteer event for up to 15 employees as part of their benefits package.

Learning Tour

Explore the stories behind The Greenway

When it comes to caring for and programming an urban park over a highway tunnel, there is much more involved than meets the eye!

Engage up to 20 guests in a personalized, behind-the-scenes tour of the park, led by a member of the Conservancy's talented staff. We'll tailor the topic to your interests.

For example, your group can learn about:

- the diverse plant species that thrive on The Greenway, including native plants that support pollinators.
- the artists' visions that inspired the latest public art.
- the Conservancy's approach to ecological plant care, including a tour of our compost tea brewing facility.
- the complex systems behind The Greenway's beloved water features. This tour takes you inside the vault of the Rings Fountain!
