

Carousel Birthday Party Resources

Unloading & Parking Options

While we do not allow unauthorized vehicles to pull on to the park, if you have food and supplies you'd like to unload, you can live park with your hazard lights on at State Street or Mercantile Street and then find parking. [Please refer to the map here.](#)

For parking, you can either find street parking on Cross Street, or use one of the nearby parking garages below (*parking fees are estimates, so we recommend visiting the garage website for the most up-to-date pricing):

- VPNE Parking Solutions - 200 State Street - \$20 flat rate Sat/Sun
- Dock Square Parking Garage - 20 Clinton Street - \$42 for longer than 90 minutes
- Haymarket Center Garage (136 Blackstone St.) - Entrance at 98 Sudbury St - \$3 for 3 hours with validated parking
- Government Center Garage - Entrance at 125 Bowker Street - \$27 for up to 3 hours
- 75 State Street Garage - \$18 flat rate Sat/Sun

Bathrooms

There are no public restrooms in the park. The closest bathrooms are located at:

- Boston Marriott Long Wharf Hotel (296 State St.) - Located on the 2nd floor and outside along the Christopher Columbus Park Path
- Boston Public Market (100 Hanover St., First Floor)

Decorations

Guests often choose to decorate the tables with colorful tablecloths and use banners, signs, streamers, or pictures to decorate the stanchions. The tables are round and 36" in diameter and are a great place to place decorative toys for centerpieces. We recommend decorations that have a little weight to them, as it can be a little windy near the harbor. Additionally, we offer large Greenway Carousel coloring pages that fit over the entire surface of the tables for kids to color on. These are available at \$5 per table.

Additionally, we ask that guests refrain from attaching party decorations to park infrastructure like trees. Additionally, we ask that guests refrain from bringing any helium balloons to the park, as per our [Park Use Guidelines](#).

Entertainment

You are allowed to hire entertainment for your Carousel Party, however, prior to doing so, it must be approved in writing by the Greenway Conservancy at least one week in advance to the party date. You will be required to send contact information of your hired entertainment to The Greenway. Third party vendors are expected to follow all park use guidelines.

Food Options

On The Greenway, there are plenty of food truck locations. Check out where they are [here](#).

With the Carousel being in the center of Boston, there are also plenty of food options around! The North End is a few blocks away offering all the Italian essentials from pizza to pasta and desserts, and Faneuil Hall is right across the street with a diverse selection.

If you choose delivery, the address of the Carousel is 191w Atlantic Ave. Please make a note that delivery services may not pull on to the park, as it is a high foot traffic area.
